The Light Industrial Policy coverages described here are in the most general terms, and are subject to the actual policy conditions and exclusions. For actual coverage wording, conditions, and exclusions, refer to the policy or contact your Central agent.

Industrial processing businesses are diversified and highly specialized, requiring broader coverage than is normally provided under standard commercial lines policies. Additional Property Protection Available

The Light Industrial Policy includes the Premier Plus endorsement with a blanket limit of \$25,000. This limit applies separately to each premises listed on the policy. In the event of a covered loss, the blanket limit can be applied to the various property and crime related coverages. The blanket limit may be increased to \$50,000, \$100,000, or \$250,000 for an additional charge.
